Links to other websites

Website of STEM School INVENTOR can provide links to other Internet resources.

Please note Prolego is not responsible for their content or privacy policies, as well as for the data they might collect even if they contain Prolego name or logo.

Privacy policies at other sites might differ, so we recommend to read these policies in each case.

Protection of kids' privacy.

Prolego treats kids' privacy seriously.

We do not collect personal data of persons who did not come to a legal age or, where allowed by applicable law, persons under thirteen (13).

Kids under thirteen (13) obtain the consent of their parents/caregivers before submitting

personal data to our app.

If upon receipt of such data we come to a knowledge that user is under described age we will not use these personal data without the consent of parents/caregivers.

However, without such consent the kid can not participate in certain activities.

Parents/caregiver can review, delete, edit or opt out of future provision or use of kid's personal data by contacting us via email: info@inventor.com.ua.

Changes to this Privacy Policy

We can make occasional changes to our Privacy Policy.

Therefore we recommend you revisit this page once in a while in case something changes.

We will let you know of any changes by publishing new Privacy Policy on this page.

Such changes come into effect immediately after being published on this page.
